

Who We Are

We are a diverse team of skilled tradesmen and craftsmen providing professional services to residential and business clients at competitive pricing.

Your time and satisfaction are important to us, which is why our approach is to get to the root of the problem and not just a quick fix.

No need to call in a repair more than once when the job is done right the first time!

BLUETITAN

Building Maintenance Establishment

Electrical

Our fully trained and qualified electricians ensure your electrical service is up to code. Blue Titan covers not only emergency situations, but also regular maintenance. Whatever your electrical needs, you can depend on us.

General Maintenance

Blue Titan Maintenance Services is a leading provider of building, facility and property management in UAE. We offer a comprehensive array of repairs and maintenance services with our highly experienced technicians.

Plumbing

Providing plumbing services from minor installs to large refitting jobs. We use the most efficient methods and latest technology to ensure that your home's plumbing is secure, from small fixes to major redevelopment work.

AC

Diagnosing the problem with your air conditioning system can be tricky. So when your air conditioning unit is not cooling, is giving off a bad odor, or just not performing as it should, contact our AC repair and service experts. We specialize in AC Service, repair, maintenance, and air condition supply and installation.

Cleaning

We know you will love the premium quality of our cleaning services. Simplify your life and make things easy with our trusted and caring team who will always go the extra mile to make your life that much better. Whatever the case, we'll get the job done.

Masonry

Our masonry team ensure that every brick and tile is in its proper place. From flooring to artistic pieces, our masonry work covers a wide range of options.

Our work is built to last and there is no job too big or too small.
